Tsunami Children's Home

Organizational Chart

Peoples Baptist Church

Trivandrum, Kerala India

Established in 1980 • Dr. G.S. Nair, Founder and Pastor

Peoples Baptist Ministries to India

PBMI is the outreach ministry of Peoples Baptist Church established in 1984 by Dr. G.S. Nair. He is President and Chairman of the Board of Directors who are deacons of Peoples Baptist Church.

Evangelistic Humanitarian Ministries

Evangelism is in Everything We Do

Soul Winning, Education, and Church Planting Ministries

Training Nationals to Reach Nationals

25 Children's Homes

Some call them orphanages ... But we don't. That's because the children are cared for by a pastor, his wife, and members of a local church. The children aren't "orphaned" anymore. PBMI provides a "family" for over 490 children.

Disaster and Persecution Relief

Responding in Christian love to victims of natural disasters and those persecuted for their Christian faith.

An Assisted Living Home

Caring for elderly believers.

A Ladies' Home

Caring for poor widows.

Ministry to Lepers

Caring for people with leprosy at three government provided centers.

Summer Outreach Ministry

This is the secret to establishing so many churches.

Students and faculty members team up to spread the gospel throughout India, to establish new churches by leading people to Christ, baptizing new converts, and building a body of believers through Bible studies.

PBMI Oversees 7 Private Schools serving over 1,800 students

They are not labeled as "Christian" but private instead. This gives the opportunity to present the Gospel in an unencumbered way.

Many non-Christian parents send their children to these schools because of the quality education their children receive.
Hundreds of children and many of their parents have come to know the Lord through this outreach.

4 Bible Colleges and a Seminary with over 700 students

Each school has only one purpose: To teach nationals the word of God, train and motivate them to win souls, make disciples, and mature the saints by planting churches.

21 Bible College Extension Schools serving over 750 students

A work-study program for men who work and can't afford to attend Bible College full-time.

2 Women's Ministry Vocational Training Centers

Training women to reach women through church-related ministries and life-sustaining skills.

Publishing Ministry

Producing millions of tracts in various languages and collateral material; publisher of *Baptist Voice*, the official publication of Peoples Baptist Ministries to India.

Home for Abused Girls

Caring for 25 girls victimized by human trafficking. "Peoples Baptist Girl's Home"

Medical and Drug Rehabilitation Center

This is a large project that would cost in the area of \$750,000. God willing, our plan is to open the center by 2019.

Introducing Pastor G.S. Nair and Peoples Baptist Ministries to India and Beyond

The Man

G.S. Nair is a Baptist pastor, educator and evangelist from the State of Kerala in southern India. As a high caste Hindu Army officer, he was a harsh and outspoken critic of Christianity until he was converted while recuperating from tuberculosis at a Baptist Mid-Missions Hospital in 1972.

In 1976, after graduating from Bible College, G.S. Nair and three other students with only \$5 and the leadership of the Holy Spirit went out to hold street meetings, give testimonies, hand out tracts, conduct Bible studies, and do personal discipleship; a work that ultimately led to the establishment of new churches.

This Gospel Team eventually became Peoples Baptist Ministries to India in 1984.

Under his leadership Peoples Baptist Ministries has established over 4,400 churches with over 450,000 members.

Pastor Nair is not only...

1. a "soul winner," but also a soul-winning leader who teaches others how to win souls.
2. a "church-planting pastor" but he's also the creator of a system to produce "church-planting pastors."
3. a "pastor teacher," but also an educator who develops "pastor teachers."
4. a "humanitarian," but also an "evangelical humanitarian leader" who has created a charitable organization that actually does everything we believe in.

The Ministry

- 4 Bible Colleges and a Seminary with over 700 students
- 21 Bible College Extension Schools with over 750 students
- 7 Private Christian schools with over 1,800 students
- 25 Children's Homes (orphanages) caring for 490 children
- 2 Women's Vocational Training Centers
- A ministry to lepers in three Indian states
- A home for abused girls and an assisted living home
- Periodic Medical Clinics
- Disaster Relief Work

The Mission

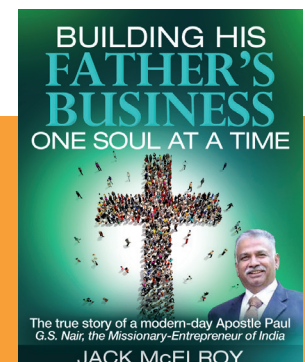

1. Win souls to Christ.
2. Establish local churches.
3. Train the new converts for further evangelism.

A book about the man and the ministry is available:

Building His Father's Business One Soul at a Time—The true story of a modern-day apostle Paul G.S. Nair, the missionary-entrepreneur of India.

5/18

A Proven, Repeatable, and Sustainable Evangelism and Church Planting Model

The Method

Their success in soul winning, church planting and discipleship stems from their use of a proven model of evangelism that's repeatable and sustainable from one generation to the next.

It is their Summer Evangelistic Church Planting Ministry...

Instead of going home for summer break, many of the students and all of the faculty from the Bible colleges volunteer to become part of evangelistic teams that spread out all over India, Nepal and Myanmar (Burma).

Typically, 60-70 teams are sent out with 6-8 students, faculty members and some local pastors in each team.

Here's what they do:

- Door-to-door visitation inviting people to gospel meetings, witnessing and handing out tracts.
- Hold street meetings
- Preach the gospel, sing, and give testimonies at evangelistic meetings.
- Deal one-on-one with inquirers.
- Lead people to the Lord so that pastors can follow-up for discipleship and baptism.
- Do follow-up work that results in home Bible studies and new church plants.

The Ministry has been using this same proven method of evangelism, discipleship, and church planting for over 43 years. Since 1980, over 80 percent of their graduates have planted churches. Today, these men pastor over 4,400 churches, with over 450,000 members.

You have the opportunity to change the world—one soul at a time—by investing in a ministry with a 43-year track record of results using a proven, repeatable, and sustainable model.

Plus, you are investing in the lives of:

- A leadership team that is fervent about soul winning and church planting.
- Pastors who've put their lives on the line to preach the gospel.
- Students that are carefully selected because of their commitment to the gospel of Jesus Christ.
- Widows who are often rejected by family because of their faith in Christ.
- The fatherless who need to learn of their Heavenly Father's love.
- Lepers who are treated as outcasts.
- Persecution and disaster victims who need to see the love of Christ.
